NOTES AND ORDERS.

R. No. 274 & 4

The items of revision proposed are the following:-

(ii) Increase of the no of Attds from 1 to 2

(iii) Increase of pay to the undermentioned staff of the Hospital:—

2 ward coolies — from Rs 6 to Rs 7 each.
1 Head Bearer — from Rs 7 to Rs 8
1 Bearer — from Rs 6-8 to Rs 7
1 cook — " Rs 7 to Rs 8

2) As regards item (i) reference is invited to G.O. No: 1701-2 med 121-14-7 of 30.8.15 in which two nurses were sanctioned for the Shimoga District Hospl on Rs 15 each + Rs 10 (tabildar allowance) + Rs 2-8-a (Uniform allowance) temporarily for a year. No reference has been received from the Senior Surgeon for continuing these nurses & it is not known whether they have been dispensed with. The Extraordinary member is of opinion that to increase the efficiency of Hospitals it is necessary to provide them with qualified nurses. Vide his note in para 20 of notes in med file 121-14. The Fl Branch, however, does not countenance the proposals for entertainment of highly paid nurses. Vide para 15 of notes in med file 47-15, Sls 1, 3, 6, 8 & 19 B. Sept 16. It is for consideration also whether such proposals may not be deferred till the nurses are trained for service in the State under the Scheme recently sanctioned.

3) As regards item (ii) it is perhaps necessary whether there are Jotis in all other District Hospls & if not, how work is managed therein.

9) If the add'l Clerk is to be allowed he may perhaps be got for less pay than 60 Rs now proposed. as the Victoria Hospital in Bangalore seems to do.

10) The source from the expenditure has to be pointed out.

Asst 17/1 11) This case has also dealt with some what on the lines on which the proposal for an addition of 2 nurses to the Hassan Dt. Hospital was disposed off -

The question of providing nurses to Dt. Hospitals may not, as already suggested in the previous case, be considered piecemeal; if the administrative expenditure it may entail the Dt. Hospitals shd be provided with suitable nursing staffs, Comprehensive proposals affecting all the Dt. Hosps: maybe called for and Expenditure considered once for all -

It is not known why no proposals have been received for the continuance of the 2 nurses sanctioned only for 1 year for

Mesthrinja Dt Hospital have yet been made. Apparently no thing means that therefor has been felt — If then no nurses are necessary for that Hospital, and the staff asked for that at Hassan is referred there is no reason why the proposal for increase at Chickamagalur should be considered now and by itself —

12) The pay of the nurse proposed is Rs 20-1-30. What was sanctioned for the Mesthrinja Hospital was Rs 15-.

13) In Bombay - any 1 nurse appears to be attached to the Dt Hospitals on pay ranging from 8-6-20. No nurses appear to be borne on the staff of Dt Hospitals in Madras —.

14) The increase of 1 Ayah as proposed seems to be called for - In the other Dt. hospitals, the pay of the Ayahs at present ranges from 2-6-7 and it is argued that the high pay of 10 appears to 1 Ayah -.

15) The small increase proposed to the other menial staff may, if necessary, also be considered as a general question affecting all the Dt Hospitals, as the recommendation is based mainly on the ground of increased cost of living.

Sir,

I have the honour to forward herewith duly verified a proposition statement in duplicate relating to the revision of the establishment of the District Hospital, Chickmagalur, together with letter No.182, dated the 7th December 1916, received from the Senior Surgen.

The proposition is to entertain an additional toti on Rs 10/- per mensem and also 2 nurses on a progressive pay of Rs 20-1-30 each per mensem with ration and uniform allowances of Rs 10/- and 2½ per mensem respectively to each of the two nurses. It is also proposed to enhance the pay of a portion of the establishment.

The financial effect of the proposition, if sanctioned, will be an addtion of Rs 91 13/48 per mensem or Rs 1,100 2/3 per annum to the permanent recurring expenditure of the state. The source from which the extra cost has to be met during the current year has not been pointed out.

Sir,

In forwarding herewith a proposition statement for the revision of Establishment of the District Hospital, Chikmagalur, involving an extra expenditure of Rs.89-8-0 per mensem, I have the honor to support the proposal made by the District Medical Officer, Kadur District, to the entertainment of two Nurses and an additional Thoti as also for the very small increase of pay to a few of the existing servants.

2. The District Hospital, Chikmagalur provides accommodation for 28 In-patients and the daily average of In-patients treated is 15.87.

3. The reasons that induced Government to sanction the entertainment of two Nurses for the Shimoga District Hospital hold equally good in the case of this institution and the employment of trained Nurses will go a great way to improve the usefulness of the Hospital in the Headquarter of a Malnad District.

4. There is only one Thoty at present for the whole Hospital and he is reported to absent himself every now and then as he finds it impossible to attend to

to his work in the Hospital, both day and night, with the result that the Hospital is left without a Thoti to the great annoyance and inconvenience to the patients and the Hospital authorities.

5. The Services of the Thoti is required in the Hospital at all hours, for giving bed pans to patients, remove soiled clothes and such other dirty work, which cannot be got done by any other servant of the Hospital. An additional Thoti is therefore found absolutely necessary.

6. The 2 ward coolies, who have served sufficiently long and who are paid Rs.6/- per mensem, deserve their pay being enhanced by one Rupee each, seeing the high prices prevelant and the demand for menial services under Coffee Planters. It is therefore very necessary that their pay should be increased by one Rupee to serve as an incentive for them to stick on to service.

7. Similar is the case of 2 Office Peons and the Hospital Cook. The Head Peon, who has put in 21 years of good service, is getting Rs.7/- per mensem and the other with 15 years' service is getting Rs.6-8-0 per mensem. In consideration of the costliness of living, an increase of Rupee one each is proposed to the Head Peon and the Cook and annas eight only to the second peon.

8. I request therefore that you will be so good as to obtain sanction of Government to the proposition statement in its entirity, as early as possible.
